Other information we should have about your child: (Please include allergy information, any specific challenges or concerns, etc.)	

Infant Massage: Ages newborn-crawling

Infant massage is a great way to develop a lifelong bond between you and your baby. This class will focus on massage strokes, reading your baby's cues, and empowering parents through knowledge shared by therapists and providing parent support built within these classes. The benefits of infant massage include improved development, sleep, digestion, mood, and stress relief.

Parents attendance required,
Special Pricing: \$20 for 4 classes!

Orland Park:
Tuesdays 10-10:45 am
Naperville/Aurora:
Wednesday 11-11:45 am

Stay and Play: Ages Walking - 5 years

This "free-play" movement group is designed to enhance and supplement physical, occupational, and speech therapy for the toddler and preschool aged child with developmental delays or special needs. This group is led by a licensed pediatric physical or occupational therapist, whose goal is to help parents gain confidence and have fun playing with their kids. Parents and caregivers will learn skills to progress play in an environment that stimulates body and sensory awareness, coordination, strength, balance, agility, and overall gross motor skills while promoting social/peer play skills! Whether your child with delays or challenges is just taking his first steps or needs a place to safely run wild, this one hour long session will provide many opportunities to help progress movement and play skills.

Parent attendance required, Special Pricing: \$20 for 4 classes!

Orland Park: Thursdays 10-10:45am
Naperville/Aurora:
Wednesdays 10:00- 10:45am

Talk and Groove: Ages 1-3

This movement and language group is designed to enhance development for the toddler and preschool aged child. Parents will learn practical strategies to help their child learn language naturally throughout the day. Examples of some techniques will include, but will not be limited to: recognizing the child's stage/style of communication while identifying motivators; presentation of routines to help with turn-taking and assist interactions; following the child's lead for more confidence and to encourage communication; ways to add language to interactions by adjusting play and book reading tasks and ways to speak to the child for language understanding and use. Language will be facilitated while enhancing the child's sensorimotor development by using therapeutic equipment, songs, games, and crafts.

Parent attendance required, Special Pricing: \$20 for 4 classes!

Orland Park:
Wednesdays 10-10:45 am
Naperville/Aurora:
Thursdays 10:00-10:45 am

Baby Sign: Ages 6 months - 24 months

This interactive baby sign class is designed to enhance communication and bonding with your child. Babies can usually learn to sign before they learn to talk...so why not start early? Some of the benefits of sign are:
It reduces frustration
Enhances language and listening skills
Enriches relationships
Provides a window into your child's word
Helps promote fine motor coordination
You and your child will be taught 9-12 new signs per class in a fun and playful environment. Each session you will leave with new ideas to implement in your home!

Parent attendance required, Special Pricing: \$20 for 4 classes

Orland Park:
Wednesdays 4-4:45 pm
Naperville/Aurora:
Tuesdays 11:00-11:45am

Tumbling Tots: Ages 18 months - 3 years

Your tot will flip for the chance to tumble! Tumbling tots provides a confidence-boosting opportunity designed for maximum fun while learning to tumble! Tumbling challenges a child's coordination, balance, strength, gross motor, and social skills while building a sensory system for a stronger mind and body. Children will be introduced to progressive tumbling skills in a safe and motivating environment led by therapists trained to work with each child's individual learning pace and tolerance

Parent attendance required special pricing: \$20 for 4 classes

Naperville/Aurora: Tues 10:15-11am
