## **You have the right to receive a “Good Faith Estimate” explaining how much your medical care will cost.**

Under the law, healthcare providers need to give patients who ***don't have insurance or who are not using insurance*** an estimate of the bill for medical items and services.

- You have the right to receive a Good Faith Estimate for the total expected cost of any non-emergency items or services. (This includes related costs like medical tests, prescription drugs, equipment and hospital fees.)
- Make sure your healthcare provider provides you a Good Faith Estimate in writing at least 1 business day before your medical service or item. You can also ask your healthcare provider, and any other medical provider you choose, for a Good Faith Estimate before you schedule an item or service.
- If you receive a bill that is at least \$400 ***more*** than your Good Faith Estimate, you can dispute the bill.
- Make sure to save a copy or picture of your Good Faith Estimate.

**For any questions regarding your Good Faith Estimate for services rendered at BDI Playhouse, please email Ann Marie Johnson at [ajohnson@bdiplayhouse.com](mailto:ajohnson@bdiplayhouse.com).**
